Hello, Nakahara here. Thanks for picking up this volume.

When the side story omake at the end of this volume ran in YOU, it had to be seried like a prinagraphic magazine. Since it was sealed, if figured letter write something sky, and while I was thinking. I kept getting requests like, "More BLI" from my eatior, so I did my best to make it seem like a bous" love story.

Did you see it that way?

It was also the first time I had colored a man's hipples. I was really careful about the color, but in the volume it become black and white, huli? Too bad. I thought it was an amazingly nice pink. Please look at it with your incer pine.

See you later!
